

CALL FOR Exhibitors **Deadline is February 7, 2025**

One area every conference attendee looks forward to at the annual PAEE Conferences is the Exhibit Area. From nature-related art and educational materials to highlighting some of the fabulous EE programs from across the state, to local artisans displaying their work, the Exhibit Area will be an exciting space!!

The theme for this year's conference - **“Waves of Connection”** - celebrates what makes PAEE so special: our collaborative ability as passionate environmental educators to drive change through resilience, diversity, engagement, and connections. Everyone involved in PAEE, and the annual conference plays an important part in our success. The 2025 PAEE Conference is another important milestone for advancing the work and mission of PAEE.

Exhibit Hall Information:

- Exhibitors are located in the busy common space directly outside of the presentation rooms and large banquet hall meeting space.
- Be at your table/space during the designated exhibit area hours so you can enhance your exhibit's effectiveness by interacting with the participants, answering questions and networking with potential clients.
- We are expecting at least 170 participants.
- Each exhibit space will have one skirted 8 ft. table and two chairs. Or no table at your request if you have a free-standing display, etc.
- Lodging and meals are not included in the cost of the exhibit space.
